

# Research Society on Marijuana ([RSMj](#))

**Who are we?** RSMj is a network of scientists with the shared goal of promoting understanding through empirical research of the determinants, correlates, consequences, contexts, and assessment of marijuana use as well as the treatment of problematic marijuana use, including cannabis use disorder.

**Why Join?** Member benefits include:

- 1) Free submission to and publication in our open access, peer-reviewed journal, [Cannabis](#)
- 2) Reduced registration fees for attending our annual [scientific meeting](#)
- 3) Have your cannabis-related publications highlighted in the [Marijuana Monthly](#), our newsletter cataloging all peer-reviewed publications on the science of cannabis
- 4) Get maximal reach for your cannabis-related publications as we highlight your research via [Tumblr](#), [Twitter](#), and [Facebook](#)
- 5) Network with leading cannabis researchers throughout the world
